

YOUR 2009 MEMBERSHIP MAKES A DIFFERENCE FOR ANIMALS IN NEED

Danbury Animal Welfare Society depends on your membership and support to continue our mission into our 35th year of rescuing, rehabilitating and finding forever homes for companion animals.

DAWS is a community partner and with your help reaches further and further everyday. We care for abandoned and neglected animals, offer Low-Cost Spay & Neuter Services and a Trap, Neuter and Return Program. DAWS provides humane education to the community and adopters, spreading the message there is an alternative to shopping for a pet and feeding the puppy mill machine. Every year we save the lives of hundreds of kittens & cats, puppies & dogs and join them with loving families. This year, our 35th anniversary will be no exception! With your help DAWS is committed to expanding each of our programs and rescuing more animals!

DAWS Volunteers and Staff thank you for your Membership and encourage you to join at the Guardian or Champion level. We know many organizations need your help and resources are limited. Your support and commitment to DAWS is invaluable and we've designed our Membership Program for you to enjoy its benefits.

In honor of 35 years filled with thousands of adoption success stories, countless triumphs and all the work DAWS will proudly continue to do...
